Thank you so much for your unwavering support and guidance throughout my college journey. Your love and encouragement have been my strength and inspiration. I immensely appreciate the sacrifices you have made for me, more than can be put into words. You are the embodiment of strength and a true boss. You are my role model; there is no other nurse I look up to or respect more than you. I hope to one day become half the nurse that you are.

I love you so much.
